CHART POINTS

THE MOON

THE MOON IN VIRGO

You will experience a strong link between the emotions and the body. You have a need for perfection. You may become ill when under stress. Your mother may be critical or a perfectionist. She will provide you with structure and order.

THE MOON IN THE 11TH HOUSE

The Moon is placed in the 11th House of your birth chart suggesting that friends and acquaintances are a major feature of your life, influencing you both positively and negatively. On the one hand your friends can be unreliable and changeable failing to live up to your ideals of true friendship. It may be that your friends change within themselves and move on emotionally, or simply that they move out of town and lose contact. Either way you suffer because you feel a sense of loss when separated from your friends. You seek a sense of security from your relationships with other people, only feeling safe when surrounded by warm and loving friends. On a more positive note, you can benefit from your large circle of acquaintances who help you emotionally and financially to achieve your own hopes and wishes.

ASPECTS OF THE MOON

TRINE MERCURY Orb 3°23' Applying

You are able to communicate your thoughts and feelings with ease. You may be a charming person, at times manipulative. You have a talent for making decisions based on both your heart and mind.

SQUARE VENUS Orb 0°27' Separating

You have difficulty expressing your feelings in relationships. You feel you cannot relax and be yourself when with your loved ones. Once you have learnt to reveal your feelings in a loving manner you will develop an understanding of relationships.

TRINE MARS Orb 1°13' Applying

You are assertive and able to motivate yourself because you have self-confidence. You have the ability to recognize opportunities and make the most of them. You can rise to a challenge.

THE SUN

THE SUN IN GEMINI

Your Sun is in the zodiac sign of Gemini indicating that you're curious, lively, versatile and talkative, with a need for constant stimulation. You're adept at keeping your finger on the pulse

of several things at once, like a juggler. Many times, you weave your way successfully and skillfully through your many activities leaving others in somewhat breathless awe of your abilities. However, there are also many times when everything comes tumbling down around you and you're left to pick up the pieces which have been scattered throughout your life. Communication is a key element in your life, taking the form of lively conversation, letter writing, study, numerous telephone calls or even travelling to various destinations to satisfy your curiosity. You've a tendency to liven up even the quietest environment, sometimes even introducing a chaotic element. Life is never dull around you.

THE SUN IN THE 8TH HOUSE

Your Sun is in the 8th House of your birth chart meaning that the processes of birth and death play a prominent role in your life. Of course this is true for many people, but whereas other people may welcome a birth or grieve a death and then get on with their life, the birth and death of loved ones affects you so deeply that you're likely to change the course of your life as a result. You're an intense person, who likes to bypass the superficial side of life and delve deeply into the meaning of life. Depending on other sections of your birth chart, you're likely to benefit financially through inheritances. You're likely to benefit through your primary partnership, gaining in personal fortune either through your partnership or after the partnership has ended.

ASPECTS OF THE SUN

There are no aspects to the natal sun.

THE ASCENDANT

THE ASCENDANT IN LIBRA

The sign of Libra is considered to be "masculine" by ancient astrologers suggesting that you're more likely to actively seek your purpose in life, taking the initiative rather than waiting until circumstances are comfortable. Libra is also a Cardinal sign denoting enterprise, enthusiasm, self-assertion and initiative. You're courteous, affectionate, thoughtful, modest and indecisive. Much of your life's purpose is connected with your relationships, both personal and professional. Human relationships are your primary motivation in life. You spend much of your time devoted to thinking about the needs and wishes of other people, ensuring that everyone is treating each other in a fair manner. For this reason, your purpose may be connected with justice, mediation or diplomatic work.
