

Your Birth Chart: Steps for viewing and subsequently downloading or printing your Natal Birth Chart

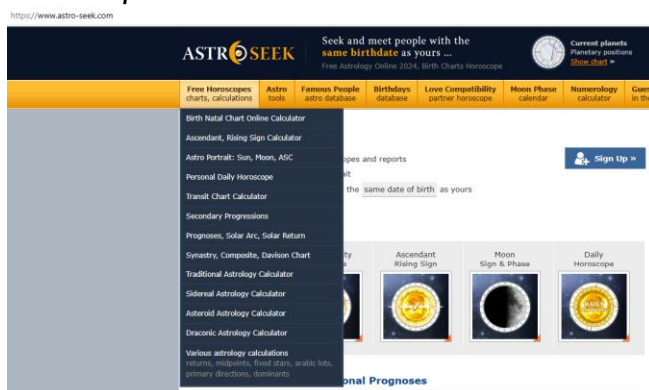

1. Open your internet browser and navigate to www.astro-seek.com
 - a. There are several tools here, for astrologers it is a nice free resource however, for our novices please do not feel overwhelmed, I acknowledge being where you are. I was looking at this sheet of paper feeling overwhelmed about all the numbers, glyphs and lines. Please, take a breath, and know it will be okay, we don't have to learn this today and you are exactly where you are supposed to be.
2. We recommend you create an account however you may view your chart and print/download it as a guest.
 - a. To create a chart, continue with 2.b, to continue as guest, skip to next section.
 - b. Click on the blue sign up button or the Register hyperlink below login.

- c.
- d. Fill in all required fields on the registration page and click

3. From the header of any page, you will hover over Free Horoscopes charts, calculations, and click on “Birth Natal Chart Online Calculator.”

- a.
4. Enter your date of birth, time and birth city. If you created an account, your information will be auto filled. Extended settings will need to be edited
 - a. In Extended settings, under display, uncheck Fortune, Vertex, Chiron and Lilith. These are useful, however can be confusing at early phases of learning. (See pg.2)
 - b. We will also check “true” for Lunar Nodes. (See pg.2)

Hint:
 Planets show us **what** is happening
 Signs show us **how** it is happening
 Houses show us **where** it is happening

- **Optional:**
